

Topic Card 1

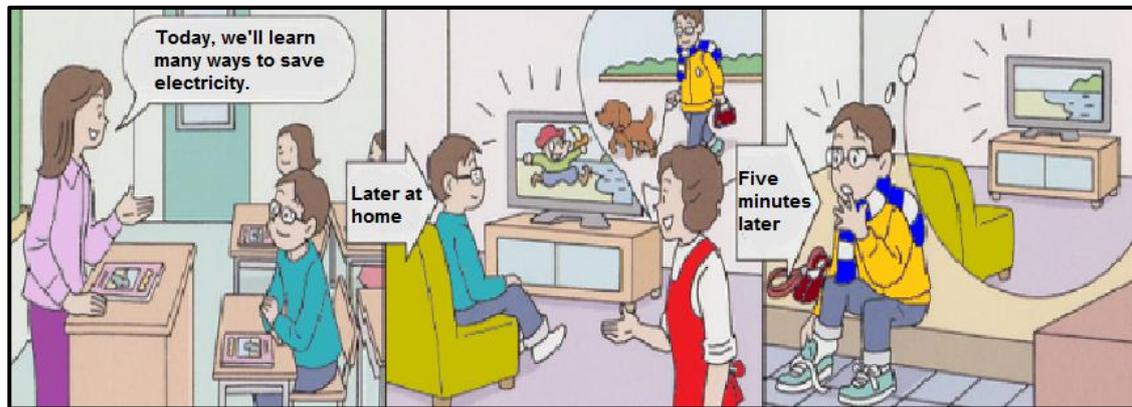

Directions:

Please read the passage aloud starting from the title.

Alternative Energy Source

Electricity plays a huge part in our everyday lives. Fossil fuels are non-renewable so they cannot be replaced once they are used up. This is why we need to use alternative sources of energy to sustain our lives. Alternative energy sources can benefit both the environment and the economy. By using natural energy sources, we can save the earth for the next generation.

Please look at the pictures below. Then, please answer the questions based on the pictures.

1. In the 1st picture, what did the teacher say to the students?

Answer: _____ .

2. In the 2nd picture, what was the woman doing?
